

As Easy As 1, 2, 3 AvMed's Weight Watchers® Reimbursement Program

In addition to your AvMed-covered benefits, AvMed Health Plans collaborates with Weight Watchers to help you take that important step toward losing weight and leading a healthier lifestyle.

And now AvMed offers you ③ ways to do it!

- ① Local Meetings – The power of group support.** Join Weight Watchers at any Florida location. Once you reach your lifetime goal, AvMed will reimburse you up to one year's meeting fees for the Weight Watchers program. (This offer excludes accessory purchases, maintenance fees and meetings not attended.)
- ② At Work Meetings – The power of group support and the convenience of worksite meetings.** A minimum of 18 employees must participate to start and continue the At Work program. AvMed members pay the At Work fees (most are pre-paid in 10-week intervals.) Once you reach Lifetime Status, AvMed will reimburse up to one year of the meeting fees you have paid to Weight Watchers. (This offer excludes accessory purchases and maintenance fees.)
- ③ At Home – No fuss – and the convenience of home.** As an AvMed member, you can enjoy the convenience of Weight Watchers ... delivered right at your doorstep. Contact Weight Watchers either by phone or online to purchase your at-home kit. Since Weight Watchers doesn't monitor the at-home program, you must see an AvMed physician to log your starting weight and establish your goal weight. Once you have reached your weight-loss goal, re-visit your AvMed physician and obtain a prescription note verifying your start, goal and end weight. AvMed will then reimburse the Weight Watchers standard At Home fee.
